Official IWLE Chili Cook-Off Rules

1. Cooks' meeting at **5:45 PM** in the Chapel of Saint Andrew Parish Hall. **All registered contestants must be present at this time.** Access will be available beginning at 4:30PM for those who want to decorate their tables.
2. Each contestant must bring two (2) batches of chili and a serving ladle. (Wikipedia defines a batch as 16 servings. Two batches will give us enough for tasting and serving.) You may bring more if you choose to!
3. No rules on the contents of chili (any ingredient may be used).
4. All ingredients used will be furnished by each contestant.
5. All chili must be carried in, but may not be store-bought.
6. Electric will be provided for each table. Every effort will be made to place contestants requiring an electrical connection near and outlet. Contestants must bring their own extension cords. Will you need an electrical connection for a crock pot or some other cooking or heating device? YES NO
7. Will you need us to provide chafing dishes and sterno to keep your chili hot? YES NO
8. Each contestant will be furnished a 6 ft serving table, tasting cups and spoons.
9. Chili winners will be selected by contest judges and People's Choice by a vote of the people present. (So bring your friends!)
10. Best Cook's Costume and Best-Dressed Table judging will be done by contest judges. Wear your "special outfit" and have fun.
11. Come with a smile and have a good time!
12. The doors open and tasting begins at 6:30 PM sharp.
